It is possible a violation existed prior to property purchase by a new owner, was constructed by an individual who misled the owner, or was constructed by an individual who was unaware of code requirements. The fact that violations may not have been created by the current owner does not relieve Code Enforcement staff from their responsibility to seek compliance from the property owner. When assessing permit fees, consideration may be given based on the circumstances, severity of the violation, and timeliness of the property owner to resolve and obtain required permits and compliance with City code.

Building Permit Fee Reductions. The Director is authorized to waive building, mechanical or plumbing permit fees for homeowners that are already enrolled in another City program that is intended to benefit low-income residents (e.g. housing home repair program, utility discount program). This fee reduction may also be extended to contractors that are applying for permits on behalf of these homeowners provided that it can be documented that the discount is benefiting the homeowner and not supplementing a contractor's profit.

- Level 3 permits are for all projects that add 5,000 square feet or more of hard surface area, or convert $\frac{3}{4}$ acres or more of native vegetation to lawn/landscaped area, or convert 2.5 acres or more of native vegetation to pasture, or the new plus replaced hard surface area is 5,000 square feet or more and the value of improvements exceeds 50% of the assessed value of existing improvements.

N. WAIVER OF FEES *(Per Resolution No. 5181).*

1. The Mayor is authorized to waive any fees for permits, licenses, publications and actions as authorized by Sections 2.03.030, 5.10.030 and 12.60.020 of the City Code.

2. The Mayor is also authorized to reduce, and is vested with to discretion to reduce in compelling cases, by up to 50% any fees for permits, publications and actions where the applicant – the party responsible for payment of such fees – is an organization exempt from taxation under 26 US 501(c)(3), and where the permit(s), publication(s) and/or action(s) relate directly to the provision of charitable services to residents of the City of Auburn. Charitable services are defined as events or services provided to the residents of Auburn free of charge and where the City is a sponsor of the specific event or service. For the purposes hereof, “compelling cases” mean instances where there is an extraordinary need (greatly beyond current and ordinary need) for the charitable services that would be able to be provided. The intent of this authorization is to empower the Mayor with sole discretion to waive some fees in unique situations where there is a greatly increased need for new charitable services to be provided, and where the reduction of fees to the City will not detrimentally impact the City’s ability to provide municipal services. This waiver does not include Impact Fees, System Development Charges, any fees related to Franchise or Public Way Agreements, Right-of-way Vacations, Right-of-Way Use Permits, Facility Extensions, Police Department Fees, Animal Licensing Fees and Penalties, Banner Permit Fees, or Cemetery or Parks fees.
