INDEMNIFICATION AND HOLD HARMLESS AGREEMENT

Permit Holder releases and shall defend, indemnify and hold harmless Auburn, its heirs, successors, and assigns, and the respective directors, officers, employees, contractors, and agents of Auburn and its heirs, successors, and assigns (collectively referred to as the "Indemnitees") from any and all claims, losses, costs, liabilities, damages and expenses (including, but not limited to, reasonable attorneys' fees) arising (whether before or after termination of the Term) out of or in connection with performance of this right-of-way permit, the enforcement of this permit by Auburn, any default under or breach of this permit by the Permit Holder or the acts or omissions of the Permit Holder or any of its suppliers, contractors or subcontractors of any tier, the respective successors and assigns of the Permit Holder or any such suppliers, contractors or subcontractors, the directors, officers, employees and agents of each of the foregoing, or anyone acting on the Permit Holder's behalf in connection with this permit. To the fullest extent permitted by applicable law, the foregoing release, indemnity and hold harmless shall apply regardless of any act, omission, fault, negligence or strict liability of the Indemnitees; provided, however, that the Permit Holder shall not be required to so indemnify any Indemnitee(s) against any claim, loss, cost, liability, damage or expense to the extent the same is caused by or results from the sole negligence of any Indemnitee(s). In connection with any action to enforce this indemnification, the Permit Holder waives any immunity, defense, or protection under any workers' compensation, industrial insurance or similar laws (including, but not limited to, the Washington Industrial Insurance Act, Title 51, of the Revised Code of Washington). Auburn is willing to grant this permit only in consideration of and in reliance upon such release, indemnity and hold harmless. Consequently, such release, indemnity and hold harmless shall be construed broadly in favor of the Indemnitees.

1. Submit a Right-of-Way (ROW) Use Application to:  
Amber Price, Engineering Aide  
Public Works Department  
City of Auburn  
25 West Main  
Auburn WA 98001
2. Once the City receives your ROW Use Application, the Community Development and Public Works Department staff will review the ROW Use Application and determine if additional information is needed. You will receive a phone call or e-mail requesting any additional information.
3. Once the City receives all the additional information, staff will review the request once again. Staff review generally takes between five and fourteen days to complete. If the request is something that impacts the general public (i.e.: parade, road closure, use over 30 days) then it could take longer for staff to review the request.
4. Periodically a ROW Use Application is approved contingent upon certain conditions being met. These conditions will be set forth in the ROW Use Permit. Some conditions may be required to be met prior to the permit being issued. These conditions could include but are not limited to; submittal of insurance documents, financial securities, or other documentation such as plans, licenses, agreements, etc. The ROW Use Permit will not be issued by the City Engineer until all conditions have been met.
5. Once the ROW Use Permit is issued the applicant will be notified and sent a copy of the approved permit via e-mail.
6. If you have questions as to the status of your particular ROW Use application, please feel free to contact Amber Price, Engineering Aide, at 253.804.3120 or [aprice@auburnwa.gov](mailto:aprice@auburnwa.gov).
7. The ROW Use Permit process takes approximately three to four weeks from application to permit issuance, if no problems arise and if requests for additional information are received in a timely manner.

The application fee for a right-of-way use permit shall be paid at the time the application is filed, provided however, bona fide governmental agencies of the federal government or the State of Washington or subdivisions thereof shall be exempt from payment of said fee.

## **REFUNDS**

Right-of-Way Use Permit application fees are non-refundable.

## **APPROVALS**

1. All ROW Use Permit Applications shall be reviewed by City staff and approved by the City Engineer.
2. For certain uses the City Engineer may direct staff to draft a formal agreement that would require approval by the City Council where the City Engineer determines there may be future public concerns with the use that are not known at the time of the application.
3. The City may require a financial security that guarantees the safe removal and restoration of ROW once the permit expires or terminates. A financial security in a form acceptable to the City Engineer in the amount established by the City Engineer may be required at the discretion of the City Engineer. A staff review of the proposal will determine the need for such securities.

## **INSURANCE REQUIREMENTS FOR ROW USE PERMITS (unless otherwise noted in the special conditions for your permit)**

The Applicant shall procure and maintain for the duration of the Permit, insurance against claims for injuries to persons or damage to property which may arise from or in connection with operations or activities performed by or on the Applicant's behalf with the issuance of this Permit.

### ***No Limitation***

Applicant's maintenance of insurance as required by the agreement shall not be construed to limit the liability of the Applicant to the coverage provided by such insurance, or otherwise limit the City's recourse to any remedy available at law or in equity.

### ***Verification of Coverage***

Applicant shall furnish the City with original certificates and a copy of the amendatory endorsements, including the additional insured endorsement, evidencing the insurance requirements of the Applicant before issuance of the Permit.

### ***Acceptability of Insurers***
