

2020 | Waste Management Bulky Item Collection Event

For City of Auburn Single-Family Residents

Auburn's annual Bulky Item Collection is a once-a-year opportunity to clean house and get rid of your bulky items that are non-hazardous, non-liquid, and non-reusable at the curb or alley.

**Collection is one day only
on Saturday, April 25, 2020**

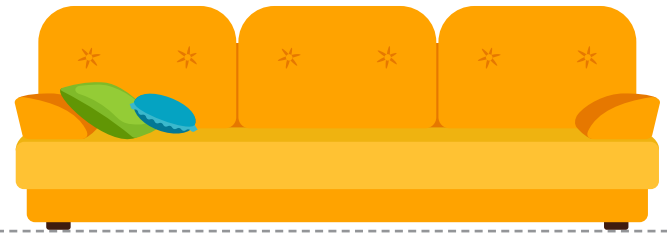

Who can participate?

- Residents who live in a **single-family home or duplex** within the Auburn city limits.
 - Residents who are Waste Management customers.
- Apartments (three or more units) and businesses are not included in the Bulky Item Collection program.

How do I prepare for collection?

- Place bulky items at your garbage collection area by **7am on Saturday, April 25, 2020**.
- **Limit four items total.** One item allowed per category. See categories and list of accepted items on the backside of flyer. (Example: 1 dishwasher, 1 BBQ, 1 recliner chair, 1 child car seat).
- Be sure nothing (cars or other items) is blocking sidewalks or access to the bulky items for collection.

- **Set out at your own risk.** Keep items not meant for pick up away from bulky items. The City of Auburn and Waste Management cannot be responsible for items picked up that were not meant for the Bulky Item Collection.

What if my items were not picked up?

- Multiple trucks will be picking up items.
- Bulky Item Collection driver will leave an "OOPS TAG" for items not accepted. Please remove these items from collection area.
- If there is no "OOPS TAG" and your items have not been picked up by 7pm, call the City of Auburn on Monday, April 27. Missed items will be scheduled for collection within two business days. Leave items out until collected.
