# IMPORTANT:

If it is essential to make a trip to dispose of your recyclable items, please practice the following when at a collection event **for your safety and event employees:**

- Don't attend if you are at increased risk of complications due to COVID-19 – this includes people 60 years or older, and those with underlying medical conditions.
- Don't attend if you are sick or exhibiting symptoms of COVID-19, or if someone in your household is.
- Stay in your vehicle and follow employee directions.

- If you must get out of your vehicle, keep at least six feet of space between yourself and others.

- Attendees are required to wear a face mask and are encouraged to bring their own alcohol-based hand sanitizer.

- Please be patient as delays are expected because of social distancing and a potential increase in materials brought in by customers who have held on to items during the "Stay Home, Stay Healthy" order.

Thank you for doing your part to protect public health and safety, and for your patience during this unprecedented time.
